STAINLESS STEEL NARCOTIC CABINETS & SPECIMEN PASS-THROUGH BOXES

INTER DYNE
SYSTEMS

TWO DOOR PASS-THROUGH SPECIMEN BOX. MODEL #8154

A popular option, our pass-through specimen cabinets are constructed of 22 gauge stainless steel and can easily be mounted in an existing laboratory or clinic wall.

Dimensions: 12.75"h x 13.25"w x 6"d

Wall opening: 11.25"h x 12"w

TURNTABLE PASS-THROUGH SPECIMEN BOX. MODEL #0515

An alternative to the two door box, the turntable specimen box is made of the same high-grade stainless steel with an increased opening size that is ideal for larger samples.

Dimensions: 15.5"h x 14.75"w x 12"d

Wall opening: 14"h x 13.25"w

CABINET INTERIOR LIGHT & REMOTE WARNING LIGHT (NOT SHOWN). MODEL #IL-1

Most of our cabinets can be outfitted with an optional interior light that makes retrieving products that much easier.

For added security, your narcotic cabinet can have a silent remote warning light installed. A small red light fixture can be installed anywhere in your facility, when the cabinet door is opened the light will call attention to the event.

**INNER/OUTER DOOR
CYLINDER LOCK CABINET
MODEL #MC10-30**

Put two doors and two separately keyed cylinder locks between your products and potential intruders. Our inner/outer door cylinder lock cabinet is made of 18 gauge stainless steel to give you increased security and peace of mind.

Dimensions: 30"h x 18"w x 12"d

INTER DYNE SYSTEMS

NARCOTIC CABINETS THAT STAND THE TEST OF TIME

When handling sensitive materials, security is a must. That's why at Inter Dyne Systems we not only manufacture high-quality stainless steel pegboards, shelving and countertops; we also produce

secured specimen pass-through and narcotic lock boxes. With multiple size, mounting and lock options we have specimen and narcotic boxes to add the security you need to your versatile workstation.

MED-LOCK DRAWER UNIT. MODEL # DR-12

Perfect for keeping medications or small samples separate and secure. The med-lock drawer unit features a single key lock and can be discretely mounted within a desk drawer.

Dimensions: 4" h x 12" w x 12" d

DOUBLE KEY LOCK CABINET. MODEL # NL-2K

Keep items secure and out of sight. The double key lock cabinet features 20 gauge stainless steel and separately keyed double locks for added security.

Dimensions: 12" h x 13" w x 9 7/8" d

INTER DYNE SYSTEMS:
VERSATILE WORK STATION SOLUTIONS

Inter Dyne Systems began over 25 years ago as an innovator of modular laboratory equipment by fabricating and selling stainless steel pegboards.

Over time we gained a reputation as the leader in the laboratory pegboard market. We've built upon that foundation by continuing to offer high quality pegboards with dependable service, consistent quality and on time delivery. We also offer shelving components, narcotics storage cabinets, countertops and innovative acrylic products.
